# SERRANO AT GLENROSE RANCH

Professionally Managed by Keystone Pacific Property Management, LLC - 41593 Winchester Road, Suite 113, Temecula, CA. 92590

## WELCOME TO SERRANO AT GLENROSE RANCH!

Welcome to your new home at Serrano at Glenrose Ranch! We are excited to get to know all of our homeowners, and hope to make your move into an HOA as smooth as possible. We understand that you received quite a lot of paperwork at your close of escrow, and as busy homeowners, some items may have been overlooked. Here's a quick summary of what you should know:

- ◇ Your property manager is Marc Murano, and he can be reached at [mmurano@keystonepacific.com](mailto:mmurano@keystonepacific.com) or at (951) 491-7749. Marc will be conducting property inspections twice a month, to ensure the community maintains its value through homeowner adherence to the CC&R's and Rules and Regulations, and through close monitoring of vendor performance.
- ◇ Backyard installations are required! To keep the value of your community steady and increasing, your backyard plans are required to be submitted within 90 days from the date you closed escrow and the completion of your backyard is required within 180 days (6 months) from the date you closed escrow. If you have questions regarding this please contact your manager.
- ◇ There are forms! While there may seem like quite a few forms in your packet, the goal is to have an open line of communication and detailed records. These can be found in the back of your welcome packet, or you may contact Keystone directly for a copy.
- ◇ As the property is still under construction, assessments will fluctuate based on each close of phases. This is very common in new developments and details are outlined in your white report. Ideally, we are notified in advance of a phase closing, but this isn't always the case. Assessment billings will be pro-rated and adjusted accordingly as needed. The assessments will range based upon how many homes are being annexed vs. the amount of amenities the HOA will be assuming responsibility for.

## COURTESY TO NEIGHBORS

With Summer here and the prevalence of parties and outdoor gatherings please remain courteous to you neighbors! Please be aware of your noise volume with hosting parties, listening to music or watching TV. Please make sure the volume of your activities are not causing a nuisance within the community.

3. Security cameras or any exterior installation to your unit requires an architectural application approval.
