

# TRASH SERVICE REMINDER

Dear Residents of Serrano at Glenrose Ranch:

As a friendly reminder, Trash containers are being left out past the time frame allowed. Trash and recyclable shall be kept in the closed sanitary containers approved by the agency.

Trash containers can be placed on streets of the community that are exposed to the public only from 5:00 PM the day before trash collection to 10:00 PM the day of trash collection.

As a reminder, Trash Bins are to be stored behind the gate or in the garage and not in view of the common area.

Let's be sure everyone is doing their part to make Serrano at Glenrose Ranch a clean and enjoyable place to call home.

Should you have any questions concerning this, please contact your Community Association Manager, Evelyn O'Leary at (909) 297-2549 or at [eoleary@keystonepacific.com](mailto:eoleary@keystonepacific.com).
